

Serious Mental Illness

This two-day workshop enhances social workers' knowledge and skills in providing services to adults with serious mental illness. It covers symptoms and functional problems associated with severe and persistent mental illness; medications and side effects; emotional effects of these illnesses on adults and their families; access to mental health services; and management of difficult behaviors.

25 participants; registration fee, \$40

Two Days
September 22–23, Greenville, or
October 22–23, Asheville

Complete the registration form and send it with your fee or your organization's authorization of payment to Libby Phillips before September 15 for Greenville or October 15 for Asheville.

Fax: (919) 962-3653
