The UNC One Card is the official identification card for students.

The UNC One Card is a multipurpose identification and on-line accounts card. You can use it for anything on campus from Chick-Fil-A® to parking tickets. Your One Card provides access to certain facilities & events, and also serves as your UNC library card, meal card, and a whole lot more!

You can also use your UNC One Card as your Wachovia ATM card or your Wachovia Visa Check Card. Check out http://www.onecard.unc.edu/ for more information.

Graduate students may obtain One Cards during the first week of the semester at the UNC One Card Office, after you have been registered for classes at the University. You will receive your One Card immediately after your photo is taken. Students MUST present a picture ID (valid driver's license, State ID card, Military ID, or Passport) before their photos can be taken.

The UNC One Card Office is located in the basement (street level) of UNC Student Stores, right in the center of campus. Office hours are Monday-Friday 7:30 am - 5:00 pm. We are closed University holidays. If you have questions, please call our office at 919-962-8024.

**Distance Education (DE) Students:** Please note that the One Card is optional for DE graduate students their first two years. If a DE student would like a One Card, they will be charged a $15 card fee for a card since they do not pay full student fees until their 3rd year of the program. A free library card will be provided to all DE students during JumpStart! on either August 8th or 15th.
