FIELD INSTRUCTION INFORMATION FORM  
(Advanced Standing)

The following information helps us determine your eligibility for entering the second-year program and plan your field instruction assignment. Please type or print your responses. Use extra sheets if additional space is necessary.

Request the field instructor(s) or the field instruction coordinator of your undergraduate program, to forward a copy of your field experience evaluation to us prior to your application deadline. Your admissions folder will be incomplete without it. If you are in field placement during the spring semester, request that an interim report be submitted prior to **February 15**, and a final report, as soon as the field placement is completed.
