

# The Encyclopedia of Social Work

20<sup>th</sup> Edition

Richard L. Edwards, Editor-in-Chief

**A valuable resource for social work students**

4-volume set - \$495

These volumes provide thousands of pages of information on every aspect of social work.

Expanded content areas include:

- new technologies
- research
- global changes
- U.S. policy developments
- evolving roles for social workers.

The *Encyclopedia* is a solid investment that will provide years of practical service as a one-stop resource for looking up facts, studying for licensing exams, supplementing course work, and more.

It can be ordered directly from NASW Press by visiting their website:
