Love Changes Things
What is Love?

Males and females look at love differently.

What are some of those differences?

Love is a learned behavior.
Love Myths

- Lots of Misinformation.
- Misinterpretation
- Misunderstanding.
Love, Liberty and the Pursuit of Happiness

Darling, Fighting For vs Fighting Against.

What’s your goal for love?

How do you get there?
Love Is A Verb!

• How do you know when it’s real?
• What about the feelings?
• How do you make it last?
Why Marriage?

- Best environment for kids
- Better health
- Live longer
- More income
- Better outcomes for children
- Good for men and women
- Child abuse less likely to happen
Communication Counts
Communication Counts

- What he says
- What she hears
- What he means
Commitment
Love Takes Time
I’m a movement by myself but I’m a force when we’re together. Mami, I’m good all by myself but baby you, you make me better. Fabulous
