EDUCATION

- Ph.D. Social Work, University of North Carolina, Chapel Hill, North Carolina (expected February 2008)
- M.S.W. Social Work, University of North Carolina, Chapel Hill, North Carolina (2005)
- M.A. Physical Education, Seoul National University, Seoul, Korea (2000)
- B.A. Consumer Studies and Resource Management, Seoul National University, Seoul, Korea (1995)

DISSERTATION

Title: School socialization style, student engagement at school, and academic performance: Evidence from the Program for International Student Assessment (PISA) 2000
Examined the relationships between school socialization style (authoritative, authoritarian, permissive, and indifferent) and student engagement at school (behavioral, emotional, and cognitive).

Advisor: Natasha K. Bowen

Committee: Philip R. Costanzo, Shenyang Guo, Dennis K. Orthner, Jack M. Richman

FELLOWSHIPS & SCHOLARSHIPS

Dissertation Completion Fellowship, University of North Carolina at Chapel Hill (2007-present)

Spencer Fellowship in Education Policy Research, Duke University (2005-2007)

Fulbright Scholarship (2003-2005)

Delta Kappa Gamma World Fellowship (2003-2005)

Department Fellowship, Seoul National University (1993)

POSCO Foundation Scholarship (1991-1995)

Offered to college students who are outstanding alumni of POSCO High School

RESEARCH EXPERIENCE

Department of Psychology and Neuroscience, Duke University

Research Assistant for Dr. Martha Putallaz (2007)

Project title: Social World of the Gifted Children. A project focusing on the effects of adolescents' social status and giftedness on behavioral, psychological, relational, and health outcomes. Designed a research framework, managed and analyzed data, and performed literature review.

School of Social Work, University of North Carolina at Chapel Hill

Independent study with Dr. Shenyang Guo (2006-present)

Project title: The Effect of Childhood Poverty. Responsibilities include conducting data management using data from the Panel Study of Income Dynamics, preparing for multilevel analysis with propensity score matching, and performing literature review.

Research Assistant for Dr. Michal Grinsten-Weiss (2006)

Project title: Individual Development Accounts. An asset building program for low-income families. Conducted logistic regression and mediation analysis, prepared for a conference presentation, and published a working paper highlighting the need for financial support to encourage homeownership among low-income families.

Research Assistant for and **Research Practicum** with Dr. Mark W. Fraser (2005-2007)

Project title: Making Choices. An early intervention program to reduce aggressive behavior among children. Validated measures through confirmatory factor analysis, conducted multilevel analysis, prepared for a conference presentation, and wrote an evaluation paper for publication.

Research Assistant for Dr. Nancy Dickinson (2005-2006)

Project title: Child Welfare Staff Recruitment and Retention (Human Resources Database and Child Welfare Worker Survey). Wrote a report using qualitative methods, made follow-up contacts for the survey, validated measures using confirmatory factor analysis, conducted path analysis, created web-based reports, conducted literature review, and prepared for a conference presentation.

Research Assistant for Dr. Natasha K. Bowen (2004-2006)

Project title: Elementary School Success Profile. An assessment tool to identify risk and protection in children's social environment. Conducted data analysis (latent profile analysis and regression analysis), performed literature review, and wrote articles about home-school partnership and children's social environment, managed a data base of the effective school-based interventions, and provided training to elementary school teachers about the use of web-based assessment and the intervention data base.

TEACHING EXPERIENCE

School of Social Work, University of North Carolina at Chapel Hill

Instructor (2007)

Course: Mini Statistics-Camp for Incoming Doctoral Students

Designed a two-day course and taught the basic concepts of statistics and the use of a statistical package (Stata).

Adjunct Instructor (2007)

Course: Introduction to Social Statistics and Data Analysis
Shared lecture responsibilities and curriculum design with Dr. Rebecca Macy.

Guest Lecturer (2006-2007)

Course: Conceptualizing Social Problems to Inform Interventions
Demonstrated an application of theories in a journal article written by Lee & Bowen (2006) and discussed the importance of theory in research.

Teaching Practicum under the guidance of Dr. Mark W. Fraser (2006)

Course: Antisocial, Aggressive Behavior in Childhood and Early Adolescence: Theory and Practice
Taught theories of antisocial behavior and discussed issues in social work practice.

Korean Institute of Teaching Philosophy for Children, Seoul, Korea

Teacher (1996-2002)

Guided discussions to encourage children's comprehension, logical thinking, critical thinking, and expression (verbal and written).

Seoul National University, Department of Physical Education

Teaching Assistant for Professor Aeju Lee (1996-2000)

Courses: Korean Traditional Dance, Creative Dance

PRACTICE EXPERIENCE

Social Work Intern (2004-2005)

Area Services And Program, Raleigh, NC, An agency for children and adolescents with mental health needs. Developed assessment forms, performed intake assessment, designed case plan, coordinated services, designed and co-facilitated group counseling, conducted home studies, and worked with clients' schools to enhance collaboration among community agencies and schools.

Social Work Intern (2003-2004)

Carol Woods, Chapel Hill, NC, A retirement community.
Performed mental status assessments, conducted home studies, designed case plan, and provided counseling.

Counselor (2002-2003)

Korea Support Center for the Homeless, Seoul, Korea
Performed intake assessment for referral, conducted mental and physical health screening, provided job and life skill counseling, designed case plan, performed outreach interviews at night, advocated for clients in hospitals and in the criminal justice system, and conducted a qualitative study for a working paper, "Survival strategies of homeless women."

SPECIALIZED TRAINING

Short Courses: Weighting Survey Data. Instructor: Paul Biemer. The Odum Institute For Research In Social Science, Chapel hill, NC, October 2007.

Summer Training Program in Quantitative Methods of Social Research: *Hierarchical Linear Models II: Special Topics*. Instructor: Stephen Raudenbush. Inter-university Consortium for Political and Social Research (ICPSR), Ann Arbor, MI, July 2006.
