The training provided through Behavioral Health Springboard has been very valuable in the professional development of our staff. The trainers are knowledgeable about the field and know how to engage staff and offer trainings relevant to their day to day work.

Jimmy Faulkner, PORT Human Services Staff and Training Development Specialist

After over 20 years of various ethics workshops for certification, Beating Back Burnout was my all-time favorite!

Chris Austin, Ed.D, CSAPC Asst. Director, Alcohol and Other Drug Prevention Education NC State University

The UNC Chapel Hill School of Social Work has been approved by NBCC as an Approved Continuing Education Provider, ACEP No. 6642. Programs that do not qualify for NBCC credit are clearly identified. The UNC Chapel Hill School of Social Work is solely responsible for all aspects of the programs.

The University of North Carolina at Chapel Hill School of Social Work, #1406, is approved as a provider for social work continuing education by the Association of Social Work Boards (ASWB) www.aswb.org, through the Approved Continuing Education (ACE) program. The University of North Carolina at Chapel Hill School of Social Work maintains responsibility for the program. ASWB Approval Period: 08/10/2016 – 08/10/2019. Social workers should contact their regulatory board to determine course approval for continuing education credits.

All trainings listed are either approved by, or pending approval by, the NC Substance Abuse Professional Practice Board.
