

Career Day 2019

Agency	Contact Person	Agency Description	Location	Specific Positions
B & D Integrated Health Serv.	Catherine Peters		Durham, NC	LCSW - LCSWA's
Broughton Hospital	Barbara R. Myers	Broughton Hospital is one of three regional psychiatric hospitals with statutory responsibility for operating as a part of the Division of State Operated Healthcare Facilities within the North Carolina Department of Health and Human Services to provide help and support to North Carolinians and their families experiencing mental illness. The hospital serves the western thirty-seven counties of North Carolina, approximately 35% of the total population, as part of the state's system of care and treatment for persons with mental illness. Broughton Hospital, as part of the state's mental health system, participates in a continuum of services that originates with local managing entities in western North Carolina. This local service is designated as the single portal of entry for referrals to Broughton Hospital. Prior to admission communication is encouraged between this hospital and the referring agent.	Morganton, NC	Clinical Social Workers
Cabarrus County Department of Human Services Child Welfare Services	Cathy Rucker Thalese Steen	Cabarrus County Department of Human Services/Child Welfare Services consists of Child Protective Services (CPS) Intake, Investigations and Assessments, CPS In Home Services, Placement & Adoptions, and Foster Care Licensing. We also have Preventive Service programs to help stabilize families for the protection and safety of children and to help families obtain needed resources in the community. Our Department also has a training program for staff, as well as a quality assurance team further enhancing our work with families and children.	Kannapolis, NC	
Carolina Adoption Services	Angela Jackson Alexis Sullivan	Carolina Adoption Services is a nonprofit agency licensed as a child placing agency in NC with a domestic infant adoption program as well as working in several international countries to place children with forever families. Our mission is to improve the quality of life for orphans and vulnerable children domestically and internationally on a daily basis.	Greensboro, NC	
Carolina Outreach	Tim Brooks Renee White	We are comprehensive mental health services agency providing a mission-based approach to services across the life span.	Durham, NC	MSW, BSW
Chapel Hill Carrboro City Schools	Marne Meredith Janet Cherry	Chapel Hill-Carrboro City Schools (CHCCS) is one of two public school systems in Orange County, NC. CHCCS is located near the flagship campus of the University of North Carolina (UNC) and the world renowned Research Triangle Park (RTP). The district operates three high schools, four middle schools, eleven elementary schools, a school for young people being treated at UNC Hospital and an alternative high school. These schools serve more than 12,000 students.	Chapel Hill, NC	
Chapel Hill Police Department Crisis Unit	Megan Johnson	The Crisis Unit was established in 1973. It was one of the earliest examples of law enforcement and social work working together to provide services. Over the years, the scope and size of the unit has expanded. There are four full-time and several contract crisis counselors who respond to emergency situations, most referred by Chapel Hill police officers. The types of calls to which they respond include: Psychiatric emergencies and suicide attempts Crime victims Family violence and child abuse Sexual assault, indecent exposure, peeping tom Interpersonal conflicts Traumatic events such as the death of a family member, missing child or residential fire The crisis unit also provides follow-up and case management services. This may involve assistance with court proceedings, safety planning, and referrals for counseling or other services.	Chapel Hill, NC	
Chatham County DSS	Wilder Horner Sharon Milam	Chatham County Department of Social Services provides economic, adult protective, and children & family services to the residents of Chatham County in accordance with North Carolina & Federally mandated policy. The Children & Family Services division includes Child Protective Services, In-Home Case Management, Foster Care and Adoption Services, as well as is responsible for recruiting, training, and licensing foster homes within the community. Social Workers work in all aspects of Child Protective Services from screening reports of abuse/neglect/dependency, conducting investigations/assessments with families, to providing ongoing services to ensure the safety of children in their homes and help achieve permanency (such as through reunification or adoption).	Pittsboro, NC	MSW, BSW

Duke Psychiatry & Behavioral Sciences	Kristen Stefureac Liz McDermott	The Duke Department of Psychiatry & Behavioral Science provides outpatient and inpatient psychiatric care to children and adults.	Durham, NC	Social Worker Clinical Social Worker
Durham County DSS	James Hart Elizabeth "Ann" Granby	The agency's services programs provide for the protection of abused and neglected children and adults, the provision of services to prevent unnecessary institutionalization of disabled and elderly residents, Work First support services, school and community social work services, and child day care subsidy. Our public assistance programs provide entitlement benefits for health access and nutrition services, foster care and adoption payments as well as cash assistance through Work First. Programs include Food and Nutrition Assistance; Medicaid and North Carolina Health Choice for Children; and Work First Family Assistance. The Child Support Enforcement program ensures that non-custodial parents provide financial and medical support for their children. This includes the location of non-custodial parents and their assets, establishing support orders, and establishing paternity. As necessary, this service is also responsible for collection and distribution of payments and enforcement for nonpayment of legal child support obligations.	Durham, NC	Income Maintenance Caseworker II Child Welfare Social Workers
Durham Partnership for Children	Deidre Morgan		Durham, NC	

Durham VA Health Care System GRECC	Christy Knight	VA Medical Center Geriatrics Research Education and Clinical Centers focus attention on the aging veteran population to increase the basic knowledge of aging, to transmit that knowledge to health care providers, and to improve the quality of care to the aged. The GRECC's are "Centers of Geriatric Excellence" designed for the advancement and integration of research, education and clinical achievements in geriatrics into the total VA healthcare system. The GRECC serves as a resource in aging research, education and clinical care for the veterans served by the Durham VA Health Care System.	Durham, NC	
Durham VA Health Care System	Ellecia M. Thompson Lindsey J. Arledge	Durham VA , Social Work Service offers MSW Internship opportunities.	Durham, NC	
Exchange Family Center	Marcia Brown Rebecca Worley	Exchange Family Center makes a difference in the lives of children, adolescents and their families through the provision of family support, counseling, case management, education, and supportive services. These services are provided through our three main programs, including Early Childhood Outreach (EChO), Family Support Program (FSP), and the Parenting of Adolescents (POA) program. The EChO program offers consultation services and support to both families and childcare providers when a young child's behavior presents a challenge in the classroom. FSP provides in-home parenting support to parents of children birth to 11 years old using multiple evidence-based models to meet each family's needs and goals. POA provides in-home family counseling for parents and their teens aged 12-17 using Multi-Dimensional Family Therapy to reduce delinquent behavior and risk of involvement with the juvenile justice system.	Durham, NC	
Family Abuse Services of Alamance County	Skye Sullivan Bridget Werner	Family Abuse Services of Alamance County, Inc. is committed to eliminating intimate partner violence in our community. The agency will provide services and support to survivors and their children. We are committed to the prevention and intervention of intimate partner and family violence through innovative service provision; community education programming; public awareness; and interdisciplinary collaboration between community partners who touch the lives of survivors and their children.	Burlington, NC	
Forsyth County Government	Emily Young	Forsyth County Government is a public-sector local government employer in the Piedmont Triad region of North Carolina. Our consolidated Health & Human Services Department (comprised of Social Services and Public Health staff) is located in Winston Salem. Our Human Resources Department will be bringing two representatives to this Career Day in hopes to attract and recruit students and professionals to work in the social work and human services fields.	Winston Salem, NC	Social Work & Human Services positions
GHA Autism Supports	Tonia Diggs Janet Banks	GHA Autism Supports is a 501(c)(3) private, non-profit organization headquartered in Albemarle, North Carolina. The agency was developed in 1978 as committed parents recognized a need for services for individuals with Autism Spectrum Disorder. The first residence became home to five children, ages 5 -12, and as they grew in age, the organization grew with them. Additional services were also developed to meet the needs of older teens and young adults. In our over 40 year history, GHA Autism Supports has expanded from an agency serving five children to one that currently supports over ninety individuals in programs providing residential, vocational, educational, community and in-home services.	Albermarle, NC	Social Work
Greensboro Children's Developmental Services Agency	Jennifer Byrd Marella Phillips	The Greensboro CDSA provides services through the N.C. Infant-Toddler Program. The Infant-Toddler Program provides supports and services for families and their children, birth to three who have special needs. Research shows that this time period is critical. It offers a window of opportunity to make a positive difference in how a child develops and learns. Sixteen Children's Developmental Services Agencies (CDSAs) across North Carolina work with local service providers to help families help their children succeed.	Greensboro, NC	
Guilford County DSS	Yolanda Ewing	Department of Social Services	Greensboro, NC	Social Workers
Haven House Services	Julianne Kirby Patricia Cardoso	Nonprofit agency that offers 11 programs working with youth in crisis (diversion and intervention programs and crisis and homeless services).	Raleigh, NC	Residential Counselors, Case Managers, Team Leaders, etc.
Hopeline	Sabrina Golling	HopeLine's mission is to support people and save lives during times of crisis through caring, confidential conversations. We do this by providing the community with a free and confidential crisis and suicide prevention helpline that offers crisis intervention, supportive and non-judgmental active listening, gentle and understanding discussion of crisis resolution, and referrals to appropriate community resources. We also offer our Reassurance Program, which makes daily wellness check in calls to members of the community who may be elderly, homebound, disabled, or just generally lacking necessary social support. Finally, we offer a range of educational speaking opportunities about topics including suicide, depression, crisis intervention, active listening, and more.	Raleigh, NC	

Lindley Habilitation Services	Kim Parmenter Wynands	Lindley Habilitation provides home and community services to individuals with Intellectual and Developmental Disabilities (I/DD) through partnerships with our staff, families, and individuals. Serving more than 500 families around the state, Lindley prides itself on providing exceptional service to exceptional people. We work with people with a wide range of needs and abilities under the Medicaid Innovations waiver, providing respite, community, and day program services.	Cary, NC	Habilitation Technicians Alternative Family Living (AFL) Providers

NASW- North Carolina	Seth Maid	NASW is a membership organization that promotes, develops, and protects the practice of social work and social workers. NASW also seeks to enhance the effective functioning and well being of individuals, families and communities through its work and advocacy.	Raleigh, NC	
NC Area Health Education Program	Sherry C. Mergner	NC AHEC's mission is to meet the state's health and health workforce needs and to provide education programs and services that bridge academic institutions and communities to improve the health of the people of North Carolina, with a focus on underserved populations. Our vision is to lead the transformation of health care education and services in North Carolina. Through our continuing professional development programs, physicians, nurses, dentists, pharmacists, social workers and other mental health professions, public health and allied health professionals receive affordable training and continuing education—not just for state licensure and specialty certification—but also to keep them up to date on new research, emerging technologies, best practices, and the latest advancements in their fields. The School of Social Work at UNC-CH, has an AHEC Liaison that works with the nine AHECs across the state to provide continuing education training utilizing our faculty, field instructors and Ph.D. students. If you plan to say in North Carolina and want to continue receiving training and education, please stop by this booth to learn more about the NC AHEC Program and our continuing education offerings. This website will take you to a map of NC showing the locations of the nine regional AHECs. No matter where you live in NC, you will have access to an AHEC and continuing education programming. https://www.ncahec.net/locations/	Chapel Hill, NC	
NC Department of Health and Human Services	TBD	The Department of Health and Human Services manages the delivery of health- and human-related services for all North Carolinians, especially our most vulnerable citizens – children, elderly, disabled and low-income families. The Department works closely with health care professionals, community leaders and advocacy groups; local, state and federal entities; and many other stakeholders to make this happen. The Department is divided into 30 divisions and offices. NCDHHS divisions and offices fall under four broad service areas - health, human services, administrative, and support functions. NCDHHS also oversees 14 facilities: developmental centers, neuro-medical treatment centers, psychiatric hospitals, alcohol and drug abuse treatment centers, and two residential programs for children.	Raleigh, NC	Social Workers Rehabilitation Counselors Substance Abuse Counselor Additional positions as well Behavioral

We are seeking skilled and dedicated individuals from a wide range of educational and experience backgrounds. North Carolina State Government is the state's largest employer with over 133,000 employees all working toward a common goal of making North Carolina great. The Division of Adult Correction and Juvenile Justice is responsible for the care, custody and supervision of all adults and juveniles sentenced after conviction for violations of North Carolina law. We are actively recruiting applicants for Social Work Positions at all levels (entry level, AD, BSW, MSW, and LCSW).	Raleigh, NC	Social Worker, Correctional Officer Positions, Nurse positions, Food Service positions, Psychology positions and there are many, many more
Office of Rural Health	Maya J. Sanders	The Office of Rural Health (ORH) assists underserved communities by improving access, quality and cost-effectiveness of health care. In state fiscal year 2018, the office spent \$31.6 million from state, federal, and philanthropic sources. ORH administers over 300 contracts designed to expand access to high quality health care for rural and underserved populations allowing the office to return over 88% of its budget directly to NC communities. In addition, ORH provides in-depth technical assistance to North Carolina's Safety Net system. In 1973, the North Carolina ORH became the first state office in the nation created to focus on the needs of rural and underserved communities. While we do not provide direct care, our programs support numerous health care safety net organizations throughout North Carolina.	Raleigh, NC	

Orange County DSS Child Protective Services	Miriam Annette Atwater Melissa McDonald	Public Child Welfare Agency that provides services that help strengthen families, protect children, and vulnerable adults.
