Implementation Facilitation

Trauma-Focused CBT Learning Collaborative Cohorts 14-19. February 2016-Present. Provide eight days of face-to-face training and monthly consultation calls during a year-long program to approximately 40 agency senior leaders per year. This "senior leader track" includes a mixture of didactic, experiential, and coaching interventions to support implementation and sustainability of this evidence-based treatment in community mental health, residential, school, and DJJ settings across NC.

SPARCS (Structured Psychotherapy for Adolescents Responding to Chronic Stress) Learning Collaborative Cohorts 4-6. February 2016-Present. Provide seven days of face-to-face

training and monthly consultation calls over a 12-month Collaborative to approximately 10 agency senior leaders per year.

Durham DSS Safety-Focused Practice Model. 2014-2016. Provided quarterly staff training and monthly coaching to supervisors and managers at Durham DSS on implementation of a new practice model for child welfare.

The Partnership & Performance Toolkit. 2012-2016. Co-wrote toolkit for public agencies to select and partner with private agency partners based on quality standards and outcomes. Provided training, coaching, and technical assistance for two rounds of a learning community to implement the toolkit with selected teams of public and private child placing agencies.

Reaching for Excellence and Accountability in Practice (REAP). 2011-2016. Provided curriculum development, training, coaching, and technical assistance to state and county staff on the development and implementation of a Continuous Quality Improvement model.
