- ***Cares – July 2021-June 2022 (half time), July 2022-present (full time)***

Provide Project Coordination for the Building Capacity for HCBS through Collective Impact funded project from Money Follows the Person. Worked on a team to create an RFA, organize steering committee, implement funding criteria, and work with awardees on contracting, and training. Also worked with Cares team on various other funded project providing meeting facilitation, coordination, and implementation of technology tools for projects.

- ***3-year Winston Salem MSW Program, July 2014 – June 2022 (half time)***

Teach MSW courses in various content areas. Meet with students to identify learning goals, potential field placing agency; meet with field placing agency staff, identify MSW field instructor (and task supervisor, if applicable), and provide clarification regarding field placement requirements. Maintain contact with field instructor, student and task supervisor to develop appropriate learning agreement, monitor progress and address problems/concerns. Meet with field instructor and student to review and approve performance evaluation. Teach field seminar, participate in field education events (Orientation, Field Appreciation Day, and student Field Education orientations), assist in identification, recruitment and development of field practicum opportunities and field instructors for students, assist with orientations, information sessions and other events for the Winston-Salem program. Create content and manage social media updates for Winston Salem program.

Other work experience:

Social Worker (clinical), Memory Counseling Program, (contract) – Spring 2020

Assisted in facilitating support group for caregivers of individuals with dementia.

Social Worker, Trellis Supportive Care, (PRN)- Summer 2019

Provided Social Work services to patients in both in home and acute hospice setting. Completed assessments and made appropriate interventions.

Elder Care Choices Program Coordinator, Senior Services Inc. - 2011- July 2017
PRN- Special Projects July 2017-June 2018

Represented and marketed the Elder Care Choices benefits to HR contacts, benefits administrators and service users. Coordinated outreach for employee benefit program. Planned educational events for HR professionals, employees, and the community at large. Developed and presented training on caregiving for adults. Created and maintained web-based training for the agency. Represented Elder Care Choices at Benefit and Health Fairs. Provided information, assistance, referral, and consultation services for employee benefit program that assists caregivers and provides services to 20 employers (20,000 employees). Updated provider databases; developed educational materials and presented seminars on various caregiving topics. Communicated by phone, email, and in-person with various entities in the social services and medical systems. Maintained a database of community resources in Forsyth and contiguous counties. Researched community resources and made referrals in all areas of the United States depending on client needs. Fielded Senior Services Helpline calls and assisted to update the in-house directory and community resources directory annually. Updated department policies and procedures.

Home Stay Coordinator, Wake Forest University, Benjamin Franklin Transatlantic Fellows Summer Institute, - 2013-2018

Recruited families in the Triad to host 53 European and US high school students for 10 days in the summer. BFTF is a program initiated and funded by the U.S. Department of State and hosted by Wake Forest University. Fellows experienced American culture up-close during home stays. Used social media and networking to recruit host families, assess their fitness to host. Created and conducted orientation training to educate host families about the process. Engaged fellows, matched them with potential host families, coordinated the stays, and provided problem solving and intervention as needed. Conducted program evaluation.

Home Stay Director, Wake Forest University, Leadership, Social Justice, and Citizenship in the United States, July 2017

Created home stay program, recruited and trained families and students, and completed program evaluation for Wake Forest University summer program for 12 Chilean college

students from La Universidad Diego Portales. Worked closely with program director on design and evaluation of this first-time program.

Bereavement Coordinator, PRN, Trellis Supportive Care - 2005-2007

Managed follow-up bereavement correspondence, including referrals for community resources and grief counseling services. Covered all cases for Hospice's Community Support Program for 12 weeks.

Program Coordinator for Community Partnership for End of Life Care, Hospice & Palliative CareCenter (Trellis Supportive Care) – Part-Time 2002-2004

Coordinated programming for the Community Partnership for End of Life Care. Networked with community agencies on end of life care coalition, completed and taught aspects of the Advanced Care Planning Facilitators course, assisted individuals with and led workshops on advanced care planning and the "Isn't It Time We Talk" intervention at senior lunches and CCRC's in Winston-Salem and surrounding areas. Helped create programs and initiatives to improve end of life care in Triad communities.

Social Worker, Hospice & Palliative CareCenter (Trellis Supportive Care), - 1999-2002

Performed social work services for the Kate B. Reynolds (KBR) inpatient Hospice facility and home care clients. Completed psychosocial assessments, participated in discharge planning, and educated patients and families about community resources, Hospice resources, and Medicare guidelines.

Social Worker II, WFUBMC - 1998-1999

Provided discharge planning and acute inpatient social work on Neurosurgery service. Worked with a social worker and nurse clinician to start the Brain Tumor Support Group at Cancer Services in Winston-Salem and continued working with them for 4 years.

Case Manager, Cardinal Hill Rehabilitation Hospital, Lexington, KY - 1996-1998

Participated as member of an Interdisciplinary Team to work with patients and families rehabilitating from stroke. Completed psychosocial assessments, explained benefits, educated patients and families about stroke and discharge planning. Eased patient transitions to home by making appropriate community referrals and providing follow-up phone support. Facilitated a stroke support group and worked on a committee to bring a chapter of the National Stroke Association to Kentucky.

Social Work Intern (paid), VAMC Lexington, KY - 1996

Worked in Ambulatory Care Clinic and conducted Advanced Care Planning clinics. Participated in psychosocial interviewing for Agency Orange Protocol exams. Made appropriate referrals to community resources and VA programs.

Child and Adult Care Food Program Coordinator, Child Care Council, Lexington, KY - 1994-1996

Coordinated CACFP for in-home childcare providers in 17 county region in central Kentucky. Admitted providers to program, educated about services, monitored providers for regulation of the program and trained providers to them bring back into compliance. Generated reports and monitored agency compliance for funding. Taught classes at Child Care Council that in-home providers needed to maintain their certification. Workshop topics included nutrition and child development.

Child and Adult Care Food Program Specialist, 4C's, Cincinnati, OH - 1993-1994

Coordinated CACFP for in-home childcare providers. Admitted providers to the program, educated about services, monitored providers for regulation of the program and trained providers to bring them back into compliance.
