CONTINUING EDUCATION

- Aug. 2017 – Dec 2020
Social Justice Action Collaboration
UNC School of Social Work, Chapel Hill, NC
Partnered with Jordan Institute to support the creation of an open,
inclusive process for UNC School of Social Work community members
to organize events and discussion on issues of social justice.
- Aug. 2014 -
Founder and Director, Clinical Lecture Institutes
UNC School of Social Work, Chapel Hill, NC
Organize full-day and multiple-day programs in evidence-based practices
with an emphasis on marginalized populations. Programs have included
dialectical behavioral therapy (DBT); functional analytic psychotherapy
(FAP), acceptance and commitment therapy (ACT); emotionally focused
therapy (EFT); motivational interviewing (MI); prolonged exposure (PE).
- April 2012 -
Trainer/Speaker
Present on third-wave CBT approaches (mindfulness, DBT, ACT) and
their application to chronic physical pain, emotional distress, and their
interrelationships, to professionals, students, and community groups.
(Presentation list available upon request.)

- Jan 2005 - Founder and Director, Clinical Lecture Series, UNC School of Social Work, Chapel Hill, NC. Organize monthly workshops for students, faculty, alum, and practitioners on cutting-edge practices. Contribute to implicit curriculum for MSW students and provide CE for professionals. Support the development of programs and series within UNC School of Social Work and co-sponsorships with other departments and agencies.
- Aug. 2011- May 2014 Training Coordinator, NC-Academic Center of Excellence (NC-ACE) for the Prevention of Youth Violence. University of North Carolina at Chapel Hill School of Social Work and Injury Prevention Research Center (funded by CDC National Center for Injury Prevention), Chapel Hill, NC

RESEARCH EXPERIENCE

- March 2022 - Co-Principal Investigator with Michael Canute Lambert on a research study about how psychotherapists raise issues of race and racism in sessions. To date, we have run --- focus groups that include a follow-up in race-affinity groups about their experiences. We have included two MSW students as RAs and moved into data analysis.
- Jan 2018-Oct 2019 Investigator and interventionist. INSPIRE study - Integrated Services for Pain: Interventions to Reduce Pain Effectively. Multi-site trial (UNC Family Practice and Internal Medicine Clinics, Duke University, Vanderbilt University and the Research Triangle Institute, funded by the Patient-Centered Outcomes Research Institute (PCORI). Explores patients' willingness to consider options other than opioids to treat their pain, and will compare two interventions.
- 2017-2018 Co-Principal Investigator, interventionist, and facilitator on novel intervention: Dialectical Pain Management Skills Group with Individuals on Opioid Therapy, funded by Research Triangle Institute (IRB-17-0943)

CLINICAL EXPERIENCE

- February 2016- Dialectical pain management with individuals and group psychotherapy for people with chronic physical pain and comorbid disorders. Supervise interns including MSW students and provisionally licensed practitioners.
- March 2013- Jan 2016 Dialectical pain management (private practice), Chapel Hill, NC
Individual and group psycho-educational intervention for individuals with chronic physical pain (pilot testing with pre/post-test design and comparison group).
- Jan. 2007 – Jan 2016 Private psychotherapeutic practice. Chapel Hill, NC
Specialization: individuals with emotion dysregulation, complex PTSD, and/or chronic physical pain. Co-facilitated two weekly, low-fee DBT skills groups.
- Aug. 2005- June 2006 Wake County Department of Human Services, Raleigh, NC
Provided individual and group DBT for individuals with developmental disabilities, through DD Consulting and Psychological Services.
- Aug. 2003- May 2004 Department of Psychiatry, University of North Carolina, Chapel Hill, NC
Conducted individual, family, and group therapy.

- Aug. 2001- May 2002 Orange County Rape Crisis Center, Chapel Hill, NC
Conducted individual psychotherapy and co-facilitated support groups for survivors of sexual violence; expanded outreach efforts to the developmentally disabled community, including training protocols for staff and volunteers.
- Aug. 2000- May 2001 Center for Development and Learning, Chapel Hill, NC
Provided psychotherapy with individuals with intellectual disabilities.

COMMUNITY SERVICE

- 2022- Board Member, Pro-Bono Counseling Network
- 2020-2022 Ad Hoc Committee Member, Pro-Bono Counseling Network
Worked to find PBCN a new institutional home and recruit new Board of Advisers and Advisory Council, reestablish and develop new community connections to reach and serve vulnerable, under-served population, and raise funds to hire a coordinator.
- 2008-2019 Pro-Bono Counseling Network (PBCN), Freedom House, Chapel Hill, NC
Helped launch PBCN at the Mental Health America of the Triangle (then Mental Health Association in Orange County), then Freedom House. Active member of PBCN Advisory Board throughout. Leading up to this, I worked on a variety of collaborative initiatives, starting in May 2004 to increase access to mental health services for people with low to moderate incomes, who were ineligible for public services and unable to afford private ones.
- March 2012 - Community workshops, Triangle Area, NC
Provide community workshops for groups such as Aging in Place, Meadowmont, Fearrington Cares, Durham Jewish Community Center.
Topics: mindfulness practice, chronic pain management, and strategies to reduce suffering and increase positive life engagement.
- Aug. 2008 - May 2010 Peaceful Schools, Durham, NC
Helped initiate school-wide anti-bullying program / peaceful learning environment and evaluation at Central Parks Elementary School, in Durham, based on work by Peter Fonagy, Ph.D. Project received grant in 2010 from the Triangle Community Foundation to expand into Wake county and Charlotte, NC.
- Jan 2007 - Jan 2013 Self-help writings on chronic pain management
Articles for *National Fibromyalgia and Chronic Pain Association*, *the Neuropathy Association*, *Pain Pathways*, *Psychology Today*, among others. Topics include: pain management strategies; comorbidities with mental health; ethics of diagnosis; relationship issues; and tips for caregivers and parents.
- Feb. 2007- Feb. 2016 Low-fee therapeutic groups, Chapel Hill, NC
Co-facilitated two weekly DBT groups for individuals who lack insurance or are underinsured. First low-fee DBT groups in private practice in Triangle area, until 2010, when additional low-fee groups launched from our wait lists.
- Sept. 1996- May 2001 Durham-Chapel Hill Fibromyalgia and Chronic Fatigue Support Group, NC
Provided information, news of community events, and outreach and support services for people with chronic pain and fatigue syndromes. Helped facilitate

psycho-educational support group. Wrote self-help articles for community newsletter, many reprinted by advocacy organizations.
